SPECIAL REQUIREMENT: USER ROLES & ACCESS

1. Super Admin
Holds full authority over the website.
Has access to all features, settings, and data.
Can add/remove admins, update website content, and monitor all bookings.

2. Admin
Responsible for daily website operations.
Can view, manage, and confirm booking requests.
Can update room availability and respond to guest inquiries.

3. Standard Admin
Limited access compared to Admin.
Can assist in managing bookings (viewing and basic updates).
Cannot make major changes to website settings or user permissions.

4. Guest User (Pilgrim/Visitor)
Can browse the website freely.
Allowed to search rooms, book rooms, upload ID documents, and track booking status.
Cannot access admin features or view internal data.
Receives booking confirmation via email/SMS.

Audit Log

- Every action performed by Super Admin, Admin, or Standard Admin should be recorded automatically.
- Audit log includes:
- User name & role
- Action performed (e.g., booking approved, booking canceled, content updated)
- Date & time of action
- IP address/system used
- Audit log can only be accessed by Super Admin.

Document Retention Policy

- All guest identification documents uploaded (Passport Bio Page, Visa Page, Aadhaar Card, Voter ID, etc.) will be securely stored in the system for a period of 3 years from the date of stay.
- After the retention period, documents will be safely deleted or archived in compliance with data protection and privacy standards.
- Documents will only be accessed by authorized Admins and Super Admins for verification and legal purposes.
